HELP US PUT A NEW RECYCLING TRUCK ON THE ROAD

Sponsor our new recycling vehicle and put your business behind local employment, recycling and inclusion.

At Endeavour Industries, we're constantly striving to deliver efficient, safe, and reliable services to our community. To keep our operations running smoothly and sustainably, we are seeking community sponsorships and donations to help us acquire an updated Recycling Compactor vehicle!

FROM THE CHAIRPERSON PETER WALKER

Dear Community,

At Endeavour Industries, we create meaningful opportunities and build a stronger, inclusive community.

Right now, we face a critical challenge: we urgently need a new truck to keep our essential pick-up operations running. Without a reliable vehicle, collecting the donations and materials that drive our day-to-day work is nearly impossible. We need your help to fund a replacement.

Tax-Deductible: As a registered charity, all donations over \$2 are tax-deductible.
Sponsorship: To show our gratitude, we will wrap the truck with the logos of our sponsors. Every contribution keeps us moving forward. Please donate today to support our mission!

Warm regards,
Peter Walker
